

Dr. Talei and his team focus on Facial Rejuvenation, Facelift, Rhinoplasty, Blepharoplasty, Hair Restoration, Facial Reconstruction and Mohs Reconstruction, as well as Non-Surgical and Non-Invasive Facial Rejuvenation.

A native of California, Dr. Talei graduated from the University of California, Los Angeles with a degree in Physiological Sciences. He received his medical degree at the University of California, San Diego School of Medicine and completed his residency training in Head and Neck Surgery at Columbia University and Cornell University Medical Centers, New York Presbyterian Hospital.

Dr. Talei is one of the only surgeons in the country to complete two separate fellowships in Facial Plastic & Reconstructive Surgery, including a fellowship at the Vascular Birthmark Institute of New York.

Dr. Talei has a full 5.0 star rating from 50 reviews on top plastic surgery web site RealSelf. *Below are just a few patient testimonials:*

Margarita D: "I booked a revision lip lift with Dr. Talei after having the misfortune of doing a lip lift elsewhere and I was really blown away...I hope this post reaches at least one person looking for a lip lift specialist and helps them make the right decision."

Darci T: "I am absolutely ecstatic about my results!! I am a model and actress as well as an occasional TV host. This man is AMAZING!!"

Mike H: "I highly recommend that anyone thinking of getting a hair transplant procedure go with Beverly Hills Hair Group. Dr. Talei is the only one in my books."

Jennette C: "I went to Dr. Talei for under eye filler using Restylane. The procedure was quick and painless! My under eyes have always been an insecurity for me and when I looked in the mirror after he was done I was beyond impressed with his work."

Kell P: "Dr. Talei is extremely skilled and responsive. He takes the time to address any issues personally. He's down to earth and approachable. Don't mistake his casual behavior for a lack of professionalism because he is exceptional at his craft."

Anastacia C: "Dr. Talei is changing the face of his industry! Young and talented, he approaches clients with grace, excellent bedside manners and with an immense depth of knowledge."

Jennifer H: "Had a great experience!! I went in to have my earlobes put back to normal from the 1 inch gauges that I had for over 10 years. The hole in my earlobe was stretched and wouldn't close back to normal. Dr Talei stitched it back to normal. He takes great pride in his work and I would recommend his services."
